A BESPOKE FUNERAL

Our bespoke funerals are tailored to your specific requirements and wishes. Selecting from our extensive services and products, and with our years of expertise and knowledge, we will help you create a funeral fitting to the personality of your loved one. Prices for these can be found overleaf in 'Wathall's Services and Products'.

A SIMPLE FUNERAL

We have comprised this package for those who wish to keep the funeral costs to a minimum. This service consists of the all the necessary funeral director's fees. Visiting your loved one is included. Other additional services are available through our bespoke funeral option only.

This service includes transfer of the deceased into our care, completion of all documentation, provision of a hearse, a simple light oak foil coffin with name plate, conductor, and necessary staff.

Full payment is required in advance of the funeral taking place.

Out of hours transfer

TOTAL COST £2090

Additional £155

Other additional fees include the crematorium fee (limited to Markeaton, Trent Valley, Amber Valley, Bretby and Bramcote Crematoriums only), Dr's fees where applicable and any officiants fees.

A DIRECT FUNERAL

Please ask for prices should you want a burial

Our direct cremation package has been created for those who would like a very simple funeral with no attendance. The direct cremation costs consist of the funeral director's fees and crematorium fees paid on your behalf. There are a growing number of direct cremation van operators. We conduct ourselves by our company values, which is why we promise as funeral directors at the heart of the community we will never compromise on service, dignity, and care.

This service includes transfer of the deceased into our care inside office hours, completion of all documentation, cremation on a day and time that we choose with no service or mourner attendance at the crematorium, suitable simple coffin (in a standard size) with nameplate, option to collect the cremated remains from us or an unwitnessed scattering of the ashes in the crematorium Garden of Remembrance.

Full payment is required at the arrangement.

Additional storage fees applicable after 21 days £25.00/day	

CARE AND PREPARATION

While your loved one is in our care, we will take the utmost attention from the moment we come to collect them, to the moment they leave on their final journey. You can choose to have your loved one dressed in their own clothes or from a range of funeral gowns provided by ourselves. **£295**

VIEWING OF THE DECEASED

You may choose to come and visit your loved one in our private chapels. This includes transporting your loved one to the chapel location of your choice, and a member of staff to be available for further support. **FOC**

HYGIENIC TREATMENT

Otherwise known as embalming, the hygienic treatment delays some of the natural effects of death as well as giving the deceased a more restful appearance. There is no legal obligation to embalm, however, in some cases we would recommend for safety reasons. **From £165**

TRANSPORT AND FUNERAL STAFF

Included in this is the provision of a conductor and necessary funeral staff, the funeral leaving from a location of your choice, travelling to the service at up to two destinations within 15 miles of any of our premises.

Hearse and necessary funeral staff	£425
Limousine (6 seats)	£290
Executive Car (4 seats)	£195

Alternative Transport

As well as our traditional funeral transportation, we can also arrange alternative hearses. Should your requirements not be listed below, please speak to your funeral arranger, and they will assist you. With alternative hearse choices we will need to provide a flower hearse for transportation of the conductor, as well as providing protection and safety to the cortege. **£275**

Horse drawn hearse

Black horses (2) and matching carriage hearse	£700
White horses (2) and matching carriage hearse	£750
Black or white horses (4) and matching carriage hearse	£1400
